Application No. 10/064,382	:	DECISION ON PETITION
Filed: July 9, 2002	:	
Attorney Docket No. 9048-US-PA	:	

This is a decision on the petition to revive unintentionally abandoned application filed January 7, 2005, with a showing that it had originally been filed by facsimile transmission on February 5, 2004. The petition was recently forwarded to the undersigned for consideration.

The petition is **GRANTED**.

The above-identified application became abandoned effective May 8, 2003 for failure to timely pay the required issue fee within the statutory period of three (3) months from the mailing date, February 7, 2003, of the Notice of Allowance and Fee Due. A Notice of Abandonment was mailed July 17, 2003. By decision mailed October 1, 2003, a prior petition to withdraw the holding of abandonment filed August 5, 2003 was dismissed. By decision mailed December 19, 2003, a prior petition to revive based on unavoidable delay filed November 28, 2003 was dismissed.

On instant petition under § 1.137(b), applicants paid the petition fee pursuant to 1.17(m) and made the required statement of unintentional delay. The required reply, payment of the issue fee, was previously submitted on August 8, 2003<sup>1</sup>. Petitioner has now met all requirements to revive the instant application.

---

<sup>1</sup> It appears that in association with the petition filed November 28, 2003, a duplicate partial payment of the issue fee (\$1309) was charged to petitioner's credit card on November 28, 2003. A request for refund has been forwarded to the Office of Finance for consideration.
